Today's Visitors

We faced today's opponents in a mid-November midweek encounter last season, but it would be fair to say that both squads have changed quite considerably since then. On that night we won by 2-1 through goals from Clive Makoni and Callum Sweeney. Nathan Lynch being on target from the penalty spot for the visitors. Ironically all three players have now moved on to new clubs

Both teams will be hoping to get their league campaign off to a good start with both of us winning our respective FA Cup ties in midweek. We are undoubtedly in for a good competitive match.

The club was formed by John Foster and three local lads as a youth team in 1969 and they have made steady progression through the leagues over the past 47 years reaching the old Hampshire League in 1993. They joined the Wessex League expansion in 2004 in Division 3 and then became founder members of the Hampshire Premier League in 2007 when the Wessex League discarded the 3rd Division.

The first 5 seasons in the Hampshire Premier League were a struggle for the club and led to the withdrawal in 2012. However all was not lost and the club rejoined

at the start on the next season in Division 1 and ended as runners-up to gain promotion back into the senior division. 2014-15 saw the club take the senior division title and also capture the combination championship for the second season.

Recent success has come from former managers Scott Marchant & Ben Kneller and a group of players who have brought the club to where they are now. For the 2020-21 season, a new management team of Ryan Lambert, promoted from Reserve Team manager, and Rory Anderson who has been with the club from the Hampshire League days.

The club is also thankful to Chairman Mick Clarke and his wife Penny from MJC Builders for the planning & finance behind the transformation of their ground.

They play their home games at the Hamble Community Facility, Hamble, Southampton, SO31 4TS and are affectionately known as 'The Monks' by their loyal band of supporters.

Last season they were in 10th place in the Premier Division table and Nathan Lynch was their top scorer with 13 league goals.

League Kick-Off...

Message from the Manager

Good afternoon and welcome to Barlow's Park for today's Wessex League Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Hamble Club and also to today's match officials.

After the excitement of Tuesday evening, we now kick-off the 2020-21 Wessex Premier League season. Originally scheduled as an away fixture, the match was reversed a few weeks back which means we will have a number of home games on the horizon. This is welcome and gives me a great opportunity to hopefully get us off to a good start.

Tuesday was an all round good performance with every player contributing to the task. After a first half that we edged on chances created, came a second half that we dominated. I was extremely pleased to see the team apply 100% to all moments of the game.

Last season we weren't at our best during certain games and when things became challenging, we had a tendency to lose our way. This didn't help our progression and was frustrating to see. Our pre-season went well and after Tuesday's victory I can definitely see a difference in our side.

There is energy, resilience and individual qualities across the field meaning that, on our day, we should compete with any team in this league.

On to today, we welcome a newly formed Hamble side that has gone through a few changes during the close season. I'm sure they will be determined to come here and get a positive result. We need to be on our game to make sure this doesn't happen and we will be planning to prevent this.

Finally, we welcome Tom Unsworth to the squad. Tom will give me some added depth in the defensive department as sadly we lost Shay Barham to serious injury in the week. We all wish him a speedy recovery and hope to see him back soon and raring to go.

Thanks for reading and I hope you enjoy the game!

Adam Clark

Welcome to Barlows Park —

Home to Tadley Calleva FC

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

Better late than never...

Tadley Calleva 1 Alresford Town 0
FA Cup Extra Preliminary Qualifying Round
Tuesday 1st September 2020

After the enforced break we were all looking forward to getting back to competitive football again. However, to begin the season with a midweek FA Cup tie did feel a little strange to say the least! The ground was looking in excellent condition after the summer works on the playing surface and the installation of new floodlights.

Manager Adam Clark had added several new signings to his squad with several youth players on the bench. New signings Josh Drew, Aiden Harris, Jamie Johnston and Alfonso Tesconi were all included in the starting line-up in what was expected to be a tough tie against last season's likely and unlucky title winners.

We got off to a bad start when striker Josh Drew had to withdraw from the team after rolling his ankle in the warm-up. He was replaced up front by Adam Bartlett. There were a couple of familiar faces in the Alresford line-up with Darryl Phillips and Jack Francis making a return to Barlow's Park.

We almost opened the scoring in the opening minute after a free-kick from Jordan Goater hit the inside of Aaron Bufton's post and rebounded to safety. This spurred the away side into action and the match became a bit more physical. The remainder of the half was a pretty tight affair although the Alresford keeper was kept the busier of the two. He made two further excellent saves from Jordan Goater and Alfonso Tenconi before the referee blew the half time whistle

Tadley started the second half on the front foot and Bufton was soon called into action again as he made a decent stop from substitute George Farrelly with Adam Bartlett just failing to get on to the rebound.

The home side were now beginning to look more confident and were beginning to dominate large periods of the game. Further chances fell to Callum Cleary and Adam Bartlett but again the Alresford defence stood firm. Young defender Jacob Brown looking particularly impressive at centre back.

Just when we all thought we were heading to the lottery of a penalty shoot out, Tadley scored with 5 minutes remaining. MOTM Aiden Harris played w wonderful crossfield pass into the path of Jamie Johnston who brought the ball under control before slotting the ball past the advancing Bufton to take us into the next round.

Manager Adam Clark said after the game "It was a great team performance where we improved as the game went on. The second half was very pleasing to watch as we dominated in all phases".

Team; Martin, Barham, Walsh, Cleary, Harris, Charsley (Rolfe), Pettet (Farrelly), Goater, Drew (Bartlett), Tenconi (Nicholas), Johnston

The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
